Re: Drinking Water (DW) Project No. 19974
Water District No. 8
2025 Water Infrastructure Improvement Grant

Dear Supervisor Blair:

Thank you for your application to the NYS Water Infrastructure Improvement Grant (WIIA) program. I regret to inform you that your community's project was not selected to receive an award during this round. However, please note the Town may reapply for a WIIA grant in the next offering of the program. To be notified of announcements, please sign up for our emails on <https://efc.ny.gov/news>.

Your application was deemed acceptable, but unfortunately there was not sufficient WIIA funding available to reach the project.

We appreciate your interest in the WIIA program. If you have any questions, please reach out to nyswatergrants@efc.ny.gov and reference the DW project number in the subject line.

Sincerely,
